6:00a to 10:00a		Arrive at Port at 6am							
<p><b>Schedule Notes:</b></p> <p><b>Breakfast:</b> Resume your continuing games whenever you like, we will be using this time to prepare for new scheduled game sessions. Games can commence as early as you like, though.</p> <p><b>Lunch Break:</b> Feel free to continue gaming and eat when you like, we will be using this time to prepare new scheduled games, etc.</p> <p><b>Dinner Break:</b> This is the Gaming By Sea's scheduled dinner time in the Main Dining Room(s), but you may dine independently.</p> <p><b>Introductions:</b> Please note that Introduction sessions will be staggered the first day. More information on start times will be available once games are selected.</p> <p><b>Gloomhaven:</b> The game's play will be divided into sub-rounds. Players may reserve seats for one, some, or all of the sub-rounds. Sub-rounds will be scheduled for play during Shore Excursions, but if insufficient players are available at that time play will resume with the next sub-round. Players will be asked not to commence playing scenarios that cannot be completed before new players are scheduled to enter the game.</p> <p><b>"Continues":</b> The game in the prior session will remain in place at its current play state, but play is not scheduled during this time. Players may elect (unanimously) to continue.</p> <p><b>"Open Gaming":</b> This schedule only shows Open Gaming in the Private Gaming Center. Other Open Gaming is available throughout the ship. BYOG or select games from our Game Library and take them to your gaming spot of choice (e.g. The Library - Deck XX, Aft and Main Dining Rooms - non-dining hours). We will help coordinate these games. If a table is indicated as available for Open Gaming and a scheduled game from a prior session has not finished (for any reason), please defer to the scheduled game. Note that Open Gaming space may be needed in the event of a time overrun for a scheduled game (we may need to shift a scheduled game to the Open Gaming table). Please plan to complete any Open Gaming within its schedule session.</p> <p><b>"Multiple Rounds":</b> These will be scheduled "Open Gaming" sessions for shorter games. Players may reserve a seat for these to get 1st play, but players can rotate out of/into the games throughout the session as they like. As players from early rounds "retire" other may enter.</p>
